

TENANT TIPS

FOR RENTAL HOUSING DURING COVID-19

CONTINUE TO PAY RENT AND UTILITIES!

Staying current now if you can is key. Continuing to pay your rent and utilities will ensure you will not have to come up with more money down the line or face other serious issues such as eviction or disconnection.

COMMUNICATE HEALTH AND INCOME CHANGES TO YOUR LANDLORD.

Let your landlord know if you or anyone in your household becomes ill with COVID-19 or experiences a loss of income. Community Advocates can contact your landlord if you do not feel comfortable reaching out directly.

REACH OUT FOR RESOURCES AS SOON AS YOU NEED HELP.

If you anticipate not being able to pay your rent / utilities or meet other basic needs, the sooner you reach out for resources the better. Do not wait! Temporary rental assistance may be available to you based on your situation.

HELP IS AVAILABLE!

Our housing team can assess your situation and may be able to connect you to resources, such as Temporary Rental or Energy Assistance, Legal Services, Landlord/Tenant Mediation, and other basic needs services.
