

Real Talks Mailbox

As part of our Regional campaign, we're asking coalitions to share our Real Talks Mailbox!

This form will collect anonymous questions from Wisconsin residents about substance use, which we'll then utilize to develop a Real Talks discussion guide.

WI SUPST:

Wisconsin Substance Use Prevention Skills Training

February 6th, 7th, and 13th, 2024
10:00am - 4:00pm

About:

The WI SUPST is a foundational course of study in substance use prevention. Grounded in current research and SAMHSA's Strategic Prevention Framework, WI SUPST is designed to help participants develop the knowledge and skills needed to implement effective, data-driven prevention that reduces behavioral health disparities and improves wellness.

Participants can expect to learn about aligning coalition activities with prevention science, building tools to guide comprehensive action plans, and much more!

Requirements:

- Participants must attend all three days of training
- Participants are expected to be active and engaged
- Participants contribute a \$10 registration fee to cover printing costs

This training is open to coalition leaders, members, prevention professionals, and anyone working to develop skills to engage in community-based substance use prevention!

REGISTER HERE by January 12th
