## HEY! Do you or your coalition members engage in school-based prevention?

### Share your connections

We are working on an educational info blast to public school districts across the SE region regarding alternative to suspension programs for students who use commercial tobacco, **and we can't do it without you!**

Please complete the brief form linked [here](#) to help us map coalition connections to school districts

Kat will be in touch in the coming weeks to organize the handing-off of materials to districts

### Funding opportunity

The American Lung Association is offering mini-grant funding to support the implementation of INDEPTH, N-O-T, and prevention programs in 2024.

Access the funding application at the link [here](#)
